## IMPORTANT SAFETY INFORMATION

Handle Beats Solo<sup>3</sup> Wireless with care. Beats Solo<sup>3</sup> Wireless contains sensitive electronic components, including a battery, and can be damaged or cause injury if dropped, burned, punctured, crushed, disassembled, or if exposed to excessive heat or liquid. Don't use a damaged Beats Solo<sup>3</sup> Wireless.

### Bluetooth®

To turn off Bluetooth® on Beats Solo<sup>3</sup> Wireless, press the power button.

### Batteries

Don't attempt to replace the Beats Solo<sup>3</sup> Wireless battery yourself—you may damage the battery, which could cause overheating and injury.

### Hearing loss

Listening to sound at high volumes may permanently damage your hearing. Background noise, as well as continued exposure to high volume levels, can make sounds seem quieter than they actually are. Check the volume before using Beats Solo<sup>3</sup> Wireless. For more information about hearing loss and how to set a maximum volume limit, see [www.apple.com/sound](http://www.apple.com/sound).

**WARNING:** To prevent possible hearing damage, do not listen at high volume levels for long periods.

### Driving hazard

Use of Beats Solo<sup>3</sup> Wireless while operating a vehicle is not recommended and is illegal in some areas. Check and obey the applicable laws and regulations on the use of headphones while operating a vehicle. Be careful and attentive while driving. Stop listening to your audio device if you find it disruptive or distracting while operating any type of vehicle or performing any activity that requires your full attention.

### Medical device interference

Beats Solo<sup>3</sup> Wireless contains components and radios that emit electromagnetic fields. Beats Solo<sup>3</sup> Wireless also contains magnets. These electromagnetic fields and magnets may

interfere with pacemakers, defibrillators, or other medical devices. Maintain a safe distance of separation between your medical device and Beats Solo<sup>3</sup> Wireless. Consult your physician and medical device manufacturer for information specific to your medical device. Stop using Beats Solo<sup>3</sup> Wireless if you suspect it is interfering with your pacemaker, defibrillator, or any other medical device.

### **Support**

For support and troubleshooting information and the latest software downloads, go to [www.beatsbydre.com/support](http://www.beatsbydre.com/support).

### **Disposal and Recycling Information**

This symbol indicates that this product and/or battery should not be disposed of with household waste. When you decide to dispose of this product and/or its battery, do so in accordance with local environmental laws and guidelines. For information about Apple's recycling program, restricted substances and other environmental matters, visit [www.apple.com/environment](http://www.apple.com/environment).

### **FCC and IC Compliance Statements**

This equipment complies with Part 15 of the FCC Rules and Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules, and Canadian CAN ICES-3 (B)/NMB-3(B). These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

*Important:* Modifications to this equipment not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The b logo, beats, beats solo and solo are trademarks of Beats Electronics, LLC.

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Apple Inc. is under license.

En los términos de la presente garantía, el Centro de Servicio Autorizado por Apple se compromete a cambiar piezas y componentes del producto e incluir la mano de obra y gastos de transportación del producto que se deriven del cumplimiento de esta garantía dentro de la red de servicio sin costo alguno para el consumidor.

072715 Accessory Warranty LatAM Spanish v3.1

## ENGLISH

### **Apple One (1) Year Limited Warranty – Accessory - For Apple and Beats Branded Products Only.**

**The Apple One-Year Limited Warranty is a voluntary manufacturer's warranty. It provides rights separate to rights provided by consumer law, including but not limited to those relating to non-conforming goods. As such, the Apple One-Year Limited Warranty benefits are in addition to, and not instead of, rights provided by consumer law and it does not exclude, limit or suspend a buyer's rights arising from consumer law. Consumers have the right to choose whether to claim service under the Apple One-Year Limited Warranty or under their consumer law rights. Important: The Apple One-Year Limited Warranty terms and conditions shall not apply to consumer law claims. For further information about consumer law, please visit the Apple website (<http://www.apple.com/legal/warranty/statutoryrights.html>) or contact your local consumer organisation.**

**Please note: All claims made under the Apple One-Year Limited Warranty will be governed by the terms set out in this warranty document.**

Your Apple-branded or Beats-branded hardware product ("Product") is warranted against defects in materials and workmanship for a period of ONE (1) YEAR from the date of original retail purchase ("Warranty Period") when used in accordance with Apple's user manuals (refer to <http://www.apple.com/support/country>). Under this warranty, you will be able to direct your claims to Apple even in situations where you purchased the Apple Product from a third party. If a defect arises during the Warranty Period, Apple, at its option will (1) repair the Product at no charge using new parts or parts that are equivalent to new in performance and reliability, (2) exchange the Product with a product with equivalent functionality formed from new and/or previously used parts that are equivalent to new in performance and reliability or with your consent, a product that is at least functionally equivalent to the product it replaces, or (3) refund the original purchase price. This warranty excludes normal depletion of consumable parts such as batteries unless failure has occurred due to a defect in materials or workmanship and, damage resulting from abuse, accident, modifications, unauthorized repairs or other causes that are not defects in materials and workmanship.

Apple does not warrant, represent or undertake that it will be able to repair or replace any Product under this warranty without risk to and / or loss of information and / or data stored on the Product. In no event shall Apple be liable for (a) loss or damage, which as of the product's purchase cannot be regarded as being caused by Apple's breach of these warranty terms; or (b) losses caused by the user's fault, loss of data or loss of profits or benefits.

Any limitations of liability in this warranty document shall not apply to (i) death or personal injury pursuant to any mandatory law on product liability; (ii) fraud or fraudulent misrepresentation; (iii) intentional misconduct or gross negligence; (iv) or a culpable breach of major contractual obligations. A damages claim based on a breach of major contractual obligations or gross negligence will be limited to foreseeable damage typical for the sale contract concerned.

To obtain warranty service, contact Apple using the information described at <http://www.apple.com/support/country>. Proof of purchase may be required to verify eligibility. For product originally purchased in the U.S.A, Apple is Apple Inc. 1 Infinite Loop, Cupertino, CA 95014. For product originally purchased in Europe (other than Turkey), Africa and the Middle East, Apple is Apple Distribution International, Hollyhill Industrial Estate, Hollyhill, Cork, Republic of Ireland. For all other countries, Apple is described at <http://www.apple.com/legal/warranty>. Apple or its successors in title is the warrantor. For customers in the EU please review your statutory rights at <http://www.apple.com/legal/warranty>.

When contacting Apple via telephone, call charges may apply depending on your location. Please contact your network operator for details.

#### IMPORTANT RESTRICTION FOR SERVICE.

Apple may restrict warranty service for keyboard products to the country where Apple or its Authorized Distributors originally sold the device. Apple may restrict warranty service for keyboard products purchased in the EEA or Switzerland to the EEA and Switzerland.

Apple will provide warranty service through one or more of the following options:

(i) Carry-in service. You may return your Product to an Apple Retail or Apple Authorized Service Provider ("AASP") location offering carry-in service.

(ii) Mail-in service. If Apple determines that your Product is eligible for mail-in service, Apple will send you prepaid waybills and applicable packaging material, so that you may ship your Product to an Apple Repair Service ("ARS") or AASP location. Apple will pay for shipping to and from your location if instructions regarding the method of packaging and shipping the Product are followed.

(iii) Do-it-yourself (DIY) parts service. DIY parts service allows you to service your own Product. If DIY parts service is available in the circumstances, the following process will apply.

(a) Service where Apple requires return of the replaced Product or part. Apple may require a credit card authorization as security for the retail price of the replacement Product or part and applicable shipping costs. If you are unable to provide credit card authorization, DIY parts service may not be available to you and Apple will offer alternative arrangements for service. Apple will ship a replacement Product or part to you with installation instructions, if applicable, and any requirements for the return of the replaced Product or part. If you follow the instructions, Apple will cancel the credit card authorization, so you will not be charged for the Product or part and shipping to and from your location. If you fail to return the replaced Product or part as instructed or return a replaced Product or part that is ineligible for service, Apple will charge your credit card for the authorized amount.

(b) Service where Apple does not require return of the replaced Product or part. Apple will ship you free of charge a replacement Product or part accompanied by instructions on installation, if applicable, and any requirements for the disposal of the replaced Product or part.

(c) Apple is not responsible for any labor costs you incur relating to DIY parts service. Should you require further assistance, contact Apple at the telephone number listed below.

Service options, parts availability and response times may vary according to country. If you require service in a country where Apple does not maintain an Apple Retail Store or Apple Authorized Service Provider ("AASP"), (a list of current service locations is provided at <http://support.apple.com/kb/HT1434>), service options may be limited. If a given service option is not available for the Apple Product in such country, Apple or its agents shall notify you about any additional shipping and handling charges which may apply before rendering service. Where international service is available, Apple may repair or replace Products and parts with comparable Product and parts that comply with local standards.

If any term is held to be illegal or unenforceable, it shall be severed from this warranty and the legality or enforceability of the remaining terms shall not be affected.

This warranty is governed by and construed under the laws of the country in which the product purchase took place.

**For Australian consumers:** The rights described in this warranty are in addition to the statutory rights to which you may be entitled under the Competition and Consumer Act 2010 and other applicable Australian consumer protection laws and regulations. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Repair of the goods may result in loss of data. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.

**For Canadian Consumers:** Residents of Quebec are governed by that province's consumer protection legislation.

**For purchases made by consumers in the United Kingdom and Ireland:** If a product is defective consumers may, in addition to any other rights which they may have under consumer law in the UK and Ireland, avail themselves of the rights contained in: for products purchased in Ireland: the Sale of Goods Act, 1893 (in particular Sections 12, 13, 14 and 15), the Sale of Goods and Supply of Services Act, 1980 and the European Communities (Certain Aspects of the Sale of Consumer Goods and Associated Guarantees) Regulations 2003 (S.I. No. 11/2003); for products purchased in the UK: the Sale of Goods Act 1979 (in particular Section 12), the Supply of Goods and Services Act 1982 (in particular Section 2) and the Sale and Supply of Goods to Consumers Regulations 2002.

072715 Accessory Warranty English v4.1

## CANADIENNE-FRANÇAISE

**Garantie limitée de un (1) an d'Apple - Accessoire - Pour les produits de marque Apple et Beats seulement.**

**La garantie limitée de un an d'Apple est une garantie offerte volontairement par le fabricant. Elle présente des droits distincts des droits accordés par les lois sur la protection du consommateur, y compris, mais sans s'y limiter, celles relatives aux biens non conformes. En conséquence, les avantages de la garantie limitée de un an d'Apple s'ajoutent aux droits accordés par les lois sur la protection du consommateur et ne les remplacent pas. En outre, ils n'excluent pas, ne limitent pas, ni ne suspendent les droits découlant des lois sur la protection du consommateur. Les consommateurs peuvent choisir de demander des services en vertu de la garantie limitée de un an d'Apple ou des lois sur la protection du consommateur. Remarque importante : les conditions**

- Reorientar o cambiar de ubicación la antena receptora.
- Aumentar la separación entre el equipo y el receptor.
- Conectar el equipo a una toma de corriente diferente a la que está conectado el receptor.
- Consultar en la tienda en la que se adquirió o a un técnico de radio/TV experimentado.

*Importante:* Las modificaciones realizadas en este equipo que no estén expresamente aprobadas por la parte responsable del cumplimiento podrían anular la autorización del usuario para operar el equipo.

Beats Solo<sup>3</sup> Wireless Modelo: A1796  
Características Eléctricas: 5Vcc 350mA

## **MEXICO DECLARACIÓN DE CONFORMIDAD**

La operación de este equipo está sujeta a las siguientes dos condiciones:

- (1) es posible que este equipo o dispositivo no cause interferencia perjudicial y
- (2) este equipo o dispositivo debe aceptar cualquier interferencia, incluyendo la que pueda causar su operación no deseada.

El logo b, beats, beats solo y solo son marcas comerciales de Beats Electronics, LLC.

La marca nominativa y los logos de Bluetooth<sup>®</sup> son marcas comerciales registradas de Bluetooth SIG, Inc. y cualquier uso de estas marcas por Apple Inc. es bajo licencia.
